The revision proposals were discussed with the Superintendent of the Press in the Chief Secretary's Room on the 2nd Instant.

Existing Permanent Establishment:- The proposals of the Superintendent as verified by the Comptroller involve an additional expenditure as follows:--

Pay including that of the additional appointments recommended by the Press Committee. ...	Rs.6,711	0 0
Personal allowances.	Rs.2,160	0 0
Total.	Rs.8,871	0 0

In regard to the personal allowances, the Superintendent says that the men have been drawing the same pay for a number of years and that he has proposed roughly an allowance of Re. 1/- for every Rs. 10/- pay. From the statement that he has since forwarded in regard to the length of service of each such man, it will be seen that with the exception of Nos. 1,13,16, 30, 60 and 61, the others have been drawing their present pay for over three years now.

Piece Work Establishment proposed to be made permenent:- The proposals of the Superintendent involve an expenditure of Rs.49,332 per annum on account of the establishment proposed to be made permanent. He has also proposed an expenditure of Rs. 1,140/- on account of absorbable personal

erial No.

allowances to some of them. He, however, does not press for these allowances.

The net result of these proposals includir those sanctioned for the Branch Press is

The existing permanent establishment

an additional cost of Rs.	8,871	
	2,880	0 0
Rs.	11,751	0 0

Piece Work Establishment to be made permanent:

	49,332	0 0
	5,472	0 0
Rs.	54,804	0 0

The Superintendent says that the cost on account of the Piece Work Establishment retained on the existing piece work system would amount roughly another Rs. 30,000. The total cost on account of both these items would be about Rs. 85,000, which is just the provision made in the Budget both for overtime and Piece Work Establishment.

It is therefore necessary to find the additional amount of Rs. 11,751 referred to above for the existing permanent establishment from some other source. The Superintendent suggests that this may be met from the provision for the Piece Work Establishment still continued on piece work system, any deficiency in the provision being met from the additional Press receipts antifipated from the paying Depart-nts over and above Rs. 62,000 now provided in

The net result of the revised proposal sanctioned, would be that a sum of about Rs 12000 per annum would be required over and above the present budget provision for the establishments (ordinary + piece work) of the Govt Presses. The Supdt is confident that the extra cost would be more than covered by increased receipts which he anticipates from paying Depts. Whether this anticipation is fully realised or not the proposals seem to be reasonable and may be sanctioned in favour of Nemo

I have gone into the revision proposals with Mr. Puttaiya. I place in the file a note of date given by him explaining how the revisio does not involve any increase in cost over the budget provision.

The proposals have been examined with reference to the scale given in annexure' / the Government Order of 27th June 1930. admitted by Mr ~ ttaiya himself there are certai

certain variations between the scale ~~approved~~ recommended by the Press Committee and approved by Govt. and that proposed by the Superintendent, in regard to Piece Work Establishment.

Government have ordered that six places in the highest grade of 'hour account' men should be abolished on the occurrence of vacancies. Against 45 men allowed in the Annexure, the Superintendent has proposed to retain only 43 at a cost of Rs 15,58 This is in order.

As regards the Printers and Binders, however the Superintendent's proposals involve an addition of 5 men over the present scale under the former, and one hand under the latter.

The proposed cost of the Binding establishme exceeds that suggested by the Committee by about Rs 2,000/-. In para 6 of the order of 27th June 1930, the Superintendent was requested to specially examine the question of effecting economies in the system of payment to members of the Binding establishment. Instead of economy in this section, increase in expenditure has been proposed.

Considering as a whole, I am agreeable to the Superintendent's proposals being sanctioned subject to the following modifications and remarks

(1) Office establishment:-

The personal allowance of Rs 5/- proposed to the Head Clerk who is now getting Rs 95/- in the grade 75-5-100 may be replaced by the grant of an advance increment.

(2) The appointment of the Chief Accountant

Accountant on Rs 100/- which is to be newly sanctioned, may, in the first instance, ~~to~~ be temporar for a period of two years, in the same way as the additional 'Invoice' Clerks and Counters.

(3) Piece Work Establishment

No personal allowances need be given to those who are the brought on the permanent establish ment.

The additional hands proposed by the Superintendent in the printing and binding sections over and above the number specified in annexure', i.e. 5 Machine men and one Binder, may be treate as supernumerary. They should be absorbed as so as possible.

The Superintendent's attention may be invit to para 6 of the Government Order and he shou asked to keep in view the question of effecting economies in the 'Binding' establishment.

To Chief Secy with compliments.

Submitted to His Highne

I submit herewith a Final Note by the Second Member of Council regarding proposals for revision of the establishment of the Government Central Press, with effect from 1st July 1930, for His Highness' gracious approval.

Offg: Dewan.

Final Note by the Second Member of Council.

———•———

Subject:—

Proposals for revision of the establishment of the Government Central Press, with effect from 1st July 1930.

———•———

In passing orders on the recommendations of the Committee appointed to suggest measures for effecting economies under Government Printing, the Government desired the Superintendent, Government Printing, to submit detailed proposals for the grant of increases of pay and allowances to the establishment of the Government presses whose hours of work had been increased. The Superintendent has forwarded a proposition statement in respect of the Government Central Press, Bangalore, providing for an increase of Rs.6,711 per annum in the fixed establishment and for the grant of absorbable personal allowances to such of the officials as will not be benefited by the revision. The proposals of the Superintendent, Government Printing, have been scrutinised by the Secretariat and the Financial Department and the following modifications have been proposed:-

(1) The appointment of Chief Accountant on Rs.100 per mensem, of two invoice clerks on Rs.20 per mensem each, and 2 counters on Rs.15 each, may be temporary for a period of two years;

(2) Instead of a personal allowance of Rs.5 proposed for the Head Clerk he may be granted an advance increment so as to bring his pay to Rs. 100 in the grade of Rs.75-5-100.

The proposals of the Superintendent, Government Printing, are in accordance with the principles enunciated by the Press Committee and accepted by Government and they may be approved with the above modification. The additional expenditure involved amounting to Rs.8,871 per annum will be met from the anticipated savings due to the reduction of expenditure anticipated under establishments and overtime allowances.

The modified proposals have been agreed to by the Dewan and the other Members of Council, and I solicit His Highness' gracious sanction thereto.

SECRETARY 12 AUG 1930 Sir, Shall be attended to. 13/8

N. Madhava Rao, Esq., B.A.,B.L.,
Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

With reference to para 7 of G.O. No. G. 14823-80/P.&.S 66-29-2, dated the 27th June 1930 passing orders on the Report of the Press Committee, I have the honour to submit herewith the Proposition Statements embodying the revision of the permanent ministerial establishment of the Government Central Press as well as the allocation in the fixed scales of pay of the Hour Account Compositors, Machine Minders, Assistant Machine Minders and Binder who were hitherto borne on the piecework establishment which may hereafter be designated as the working establishment of the press.

In the case of the ministerial establishment, the revisi follows the same lines as those on which my original proposals submitted last year with my letter No. P. 2450 dated 15-2-1929 wer based, except that a few more vacancies that occured recently due to casualties and retirements have also been taken into account to revise a few grades and to give more promotions to seniormen which have all helped to reduce the additional cost for pay and personal allowances. The extra cost involved in this revision amounts to Rs. 204/- per mensem or Rs. 2.448/- per annum, which can be met from the sum of Rs. 2,511/- per annum allotted for this purpose

in Annexure A of the Press Committee Report, thus effecting a saving of Rs. 63/- per annum.

The new appointments of one Divisional Accountant on Rs. 100/- per mensem, Two Invoice Clerks and Two Counters on Rs. 70/- per month and an Assistant Machine Foreman on an average of Rs. 46/- per mensem, all involving a total cost of Rs. 216/- per month or Rs. 2,592/- per annum, that have been sanctioned, the former two items in paras 13 and 19 of the Government Order on the Report of the Press Committee, dated the 27th June 1930, and the latter as per Chief Secretary's letter No. G. 13767/P.&.S. 75-29-2, dated the 23rd May 1930, being fresh appointments, their cost is not included in Rs. 9,000/- allotted by the Press Committee for the increased expenditure due to the increase in the number of working hours in both the Government Presses as per Annexure A and referred to in para 7 of the Government Order. It may therefore be met from the savings under overtime for which there is a provision of Rs. 6,000 in the current year's Press Budget.

As regards the absorbable personal allowances to be granted to the officials who have not been benefited by promotions in the revision, the claims of every official of every branch have been carefully considered and suitable amounts proposed as shown in the Proposition Statement. In the Proof Branch, however, the officials have been allotted some higher allowances based on their average overtime earnings last year, in order to compensate them for the loss sustained by them consequent on the increased hours of work, as Proof Readers attend overtime more largely than the officials of the other branches. The expenditure of Rs. 2,160/- on this account may be met from the sum of Rs. 4,000/- allotted for absorbable personal allowances in Annexure A of the Report of the Press Committee. The balance of Rs. 1,624/- still available under this head

head, after meeting the cost of Rs. 216/- (Rs. 72/- for revision plus Rs. 144/- for allowances) appropriated for the Branch Press, may be kindly permitted to be held in reserve for drawing upon in the course of the year for the granting of allowances to any other officials whose claims may have to be favourably considered.

X As for the Piecework Establishment to be made permanent with the exception of the Piecework Compositors, I beg to state that in the actual working out of the details, the scales of pay originally fixed as per Annexure A have worked as a hardship on a great many men as their proposed pay was found to fall down considerably below their average earnings, while a fairly large number got sudden jumps out of proportion to their average earnings. As this glaring disparity is sure to give rise to much heart-burning and discontent in that it forces a man to accept a pay far below his average earning while at the same time compelling him to work two extra hours a day, I have fixed suitable scales of pay as near as possible to the average earnings of the men during the past three years and where even this scale falls considerably short of the average earnings, I have proposed suitable absorbable personal allowances, so that the men may have at least the satisfaction of drawing a pay nearly equal to the average earnings in view of the two extra hours a day demanded of them. The average earnings earned, the scales of pay fixed and the absorbable personal allowances proposed are shown in the list attached to the proposition statements.

X The cost on this account will amount to Rs. 49,332/- for substantive pay and Rs. 1,140/- for absorbable personal allowances or to a total sum of Rs. 50,472/- per annum, resulting in an ultimate savings of Rs. 1,224/- as shown in the list referred to. This expenditure can be met from the provision of Rs. 80,000/- made under the piecework in the current year's budget and will represent the amount that may have

to be provided for this item of expenditure in the next and succeeding years' budgets.

I solicit the favour of a very early sanction to these proposals which do not involve any extra expenditure to Government, as all the sums are found from the savings anticipated in the sanctioned grants of the Press Budget.

I much regret that there has been a delay in their submission as the task of allocating over 200 men to the grades and pay intended for them, of allotting their personal allowances and of hearing and considering their claims coupled with the anxiety caused by the exhibition of restlessness and discontent on their part on unfounded apprehensions, took up much time which, under the circumstances, could not be avoided.

I have the honour to be,

Sir,

Your most obedient servant,

Superintendent.

N o t e.

The proposals submitted by me for the revision of the establishment of the Central Press with my letter No: P. 615, dated 12th August 1930 seem to require further elucidation and accordingly I beg to state as follows:-

My proposals do not contemplate any extra expenditure but are not only quite within the expenditure proposed by the Press Committee in the Annexure A appended to their Report, but also go further and effect further saving of expenditure on the whole over that proposed by the Press Committee as shown in the following statement:-

	Average cost as per Annexure A.	Expenditure proposed by the Committee.	Expenditure proposed by the Superintendent.	Savings over average cost.	Savings or otherwise over the expenditure proposed by the Committee
	Rs.	Rs.	Rs.	Rs.	Rs.
P.W. compositors.	28,000	21,684	20,000	8,000	— 1,684
Hour Account Compositors.	19,200	18,924	15,588	3,612	— 3,336
P.W. Machinemen.	13,500	12,888	152	348	+ 264
P.W. Binders.	24,105	24,228	26,064	2,041	+ 1,836
Total. -	88,805	77,724	74,804	14,001	— 2,920

It will be seen that whereas the Press Committee proposed a saving of Rs. 11,081 (i. e., the difference bwte the 1st and 2nd ~~xx~~ columns), My proposals (Column 3) have actually resulted in a saving of Rs. 14,000 (col. 4) showing a further improvement over the Press Committee's proposals to the extent of Rs. 2,920/- (col. 5.)

the sanctioned grants alone. But if there should be any additional expenditure to be incurred for reasons given above, it can be found by utilising the receipts from paying departments, only to the extent required.

H. Srinivasa

Superintendent,
Government Printing.

Bangalore,
Dated, 16th Sep. '30.

The savings under piecework compositors is rendered possible on account of the reduction in the numb hands from 125 to 110. The number of Hour Account composito has been reduced from 50 to 43 which accounts for the large saving under that head. Under Machinemen and binders, slight increases over the proposals of the Press Committee have been proposed as they were found inevitable on closer scrutiny of the average wages drawn by themen, necessitating a few new scales being introduced as explained in my official letter. But this has not in any way contributed to increase of expenditure: On the other hand, it has not only kept the savings of the Press Committee in ~~tact~~ increased but has also improved upon it to the extent of Rs. 2,920/-

As regards the wages of the piecework compositors, they are, in spite of the sliding rates allowed and the reduction in the number of men, liable to increase consequent on the increased number of hours of work in the Press now (9 hours a week more than before), the increased quantity of work that may be received for execution and the reduced budget grant given; in which case, additional funds would be required to meet the extra cost: Otherwise, the expenditure proposed by me (Col. 3) would suffice and all additional cost for the revision of the establishment of both the Presses and for the additional appointments ~~sanctioned~~ proposed amounting to Rs. 10,080/- can be met from the savings effected, viz., Rs. 14,000/-(Col. 4)

As the grant this year for piecework is only Rs. 80,000/- and for o time Rs. 5,000/-, a total of Rs. 85,000/- is available in the budget. From this amount, a sum of Rs. 74,804/- (Col. 3) will be utilised for the wages of the men (Col. 3) and Rs. 10,080/- for additional ~~appointments~~ expenditure so that all the cost involved in the proposals submitted by me can be met from

Government of His Highness the Maharaja of Mysore.

READ—

Government Order No. G. 9077-8—P. & S. 34-25-6, dated the 12th May 1926, sanctioning the revision of the establishment of the Government Central Press, Bangalore.

2. Para 7 of the Government Order No. G. 14823-80—P. & S. 66-29-2, dated the 27th June 1930, directing among other things, the Superintendent, Government Printing, Bangalore, to submit detailed proposals for the grant of increases of pay and allowances to the establishment of the Government, Central Press, Bangalore, and the Branch Press, Mysore, limiting the expenditure on this account to Rs. 9,000 a year.

3. Letter No. P. 615, dated the 12th August 1930, from the Superintendent, Government Printing Bangalore, submitting a proposition statement in respect of the Government Central Press, Bangalore providing for an increase of Rs. 6,711 per annum in the fixed establishment and for the grant of absorbable personal allowances to such of the officials as will not be benefited by the revision.

ORDER NO. G. 4059-60—P. & S. 22-30-10, DATED 16TH OCTOBER 1930.

The proposals made by the Superintendent are in accordance with the principles enunciated by the Press Committee and accepted by Government in paras 7, 13 and 19 of the second of the Government Orders read above.

Government are pleased to sanction the proposals with the following modifications:—

(1) The appointments of Chief Accountant on Rs. 100 per mensem, and of two Invoice Clerks on Rs. 20 per mensem each and two Counters on Rs. 15 each will be temporary for a period of two years.

(2) Instead of a personal allowance of Rs. 5 proposed for the Head Clerk, he may be granted an advance increment so as to bring his pay to Rs. 100 in the grade of Rs. 75—5—100.

The additional expenditure involved amounting to Rs. 8,871 per annum will be met from the anticipated savings due to the reduction of expenditure anticipated under establishments and overtime allowances.

The revision will have effect from the 1st July 1930. A statement showing the existing and revised establishment is appended.

G.O. No.G.9077-8 P&S 34-25-6 dated the 12th May 1926 sanctioning the revisi of the establishment of the Government Central Press, Bangalore.

2. Para 7 of the Government Order No. G.14823-80 P&S 66-29-2 dated the 27th - June 1930 directing among other things the Superintendent, Government Printing, Bangalore to submit detailed proposals for the grant of increases of pay and - allowances to the establishment of the Government Central Press, Bangalore and the Branch Press, Mysore limiting the ex- penditure on this account to Rs.9000 a year.

3. Letter No.P.615 dated the 12th August 1930 from the Superintendent, -- Government Printing, Bangalore, submittir a proposition statement in respect of the Government Central Press, Bangalore providing for an increase of Rs.6711/- per annum in the fixed establishment and for the grant of ~~sums~~ absorbable personal allowances to such of the officials as will not be benefited by the revision.

.....

Order No. G. 4059-60/Exclusive
Dated, Bangalore, 16 & October. ~~September~~ 1930

The proposals made by the Superi

Superintendent are in accordance with the principles enunciated by the Press Committee and accepted by Government in paras 7, 13 and 19 of the second of the Government Orders read above.

They are:--

(1) Revision of the permanent -- establishment of the Central Press, -- Bangalore resulting in an extra cost of Rs.6711 per annum.

(2) Grant of absorbable personal allowances to such of the officials as will not be benefited by the revision at a total cost of Rs.2160 per annum.

Government are pleased to sanction these proposals with the following modifications:--

(1) The appointments of Chief -- Accountant on Rs.100/- per mensem and of 2 Invoice Clerks on Rs.20 per mensem each will be temporary for a period of two years.

(2) Instead of a personal allowance of Rs.5/- proposed for the Head Clerk, he may be granted an advance increment so as to bring his pay to Rs.100 in the grade of Rs.75-5-100.

The additional expenditure involved amounting to Rs.8871 per annum will be met from the anticipated savings due to the reduction of ~~wages to~~ expenditure under Establishments and ~~compositors as well as of the~~ overtime allowances ~~which may not be necessary in~~

view of the increase in the hours of work in the Central Press from 6 to 8 hours.

The revision will have effect from the 1st July 1930. A statement showing the existing and revised establishment is appended.
